

Laxative for Women Free

There is a great difference in the purposes to which a laxative should be put. Tablets and pills, salts, etc., are usually violent purgatives or cathartics, and altogether too powerful for the average person.

A woman at all times needs only a mild laxative—in fact, none other is needed by anyone, weak or strong though they may be, for the object is simply to move the bowels, and if a gentle laxative will do it, what is the use of a violent one?

Dr. Caldwell's Syrup Pepsin has earned a well-deserved vogue among women and children and old folks—people who must necessarily be careful of what they take. It is a liquid laxative tonic and admittedly the greatest stomach, liver and bowel remedy before the American people. The price is only 50 cents or \$1 a bottle, as it comes in both sizes, and all druggists sell it. Its pleasant taste and gentle action make it an ideal remedy for women in constipation, torpid liver, sour stomach, sick headache, heartburn and such like digestive complaints. Its use for a short time will remove the trouble entirely so that future medication will be unnecessary. Its tonic properties build up the stomach and intestinal muscles so that they act naturally again. That this is so is the experience of many heads of families, like Mrs. Brannon, of Alvarado, Va., Mrs. K. L. Stout, of Louisville, Ky., and numerous others; in fact, way out in Williams, Cal., as Mrs. J. E. Blackmore, of that place, writes, the whole town seems to be using it.

If the remedy is new to you and you want to make a trial of it before buying, send your name to the doctor's address as below and a free test bottle will be sent you. Then, if results are satisfactory you can buy it of your druggist.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 500 Caldwell bldg., Monticello, Ill.

Mail Sacks Stolen.

The partly burned remnants of two mail sacks were found just over the hill from the Queen & Crescent railroad station at Georgetown Tuesday afternoon. Evidently the sacks had been seized by a thief from the crane on March 24 and 25. A letter was found saying that the Burley Tobacco Society at Winchester had inclosed checks for \$38,000 to A. L. Ferguson, chairman of the Scott county Board of Control, for prominent tobacco raisers. All the Georgetown banks lost mail, remnants of letters and envelopes being found, but the checks were gone. The second bag contained a large quantity of registered mail. One pouch was bound for Georgetown and the other was hung upon the crane to go South from there. The matter is now in the hands of the Superintendent of mail service of Cincinnati.

THEATRICAL.

THE "MERRY WIDOW."

—"The Merry Widow," presented by Henry W. Savage's famous, original New York Company, intact, is the notable attraction announced by Manager Scott, of the Lexington Opera House for Tuesday and Wednesday evenings and Wednesday matinee, April 6 and 7.

Ever since the great success scored in Lexington by Mr. Savage's admirable Southern "Merry Widow" company, Manager Scott has been negotiating with Mr. Savage for the appearance there of the great organization that presented the Lehar operetta for 52 consecutive weeks at the New Amsterdam Theatre, New York. This company, the finest and largest ever sent out on tour, is on its way to play a spring and summer engagement at the Colonial Theatre, Chicago, visiting en route, only a very few of the largest cities, as Philadelphia, Washington and Pittsburgh. But Mr. Scott finally induced Mr. Savage to arrange for the three performances in Lexington, a compliment of a very unusual sort to that community.

This original New York organization is transported on a special train of eight cars, including three sixty-foot cars for the massive scenery, two Pullman sleeping cars and a dinner and two chair cars. The immense amount of scenery and the number of distinguished players in the company, the cast comprising in round figures one hundred persons, makes it impossible for the railroads to carry the organization on the regular trains.

In every detail the cast, chorus, orchestra, costumes, scenery and stage detail the forthcoming presentation there will be absolutely identical with those given in New York. It is worthy of note, in this connection, that this is the company that drew—during the record-breaking engagement in the metropolis—700,000 music lovers to the New Amsterdam Theatre, with total receipts of more than \$1,000,000.

Among the principal to be seen will be Frances Cameron, Charles Meakins, Franceska Kaspar, Robert E. Graham, Teresa Van Brune, Fred Frear, Ada Jones, William C. Weedon, F. J. McCarthy, Luida Hilliard, H. J. Rehill, Charles Edward Wright. The original famous English Grand Opera Orchestra that won such acclaim in Mr. Savage's productions of "Parsifal" and "Madame Butterfly," will also appear, under the baton of Louis F. Gettechalk.

The announcement is made that there will be no increase in price, the rates being from 50 cents to \$2.00, and that the advance sale will open on Saturday morning, April 3. Orders sent to Manager Scott will receive prompt attention.
